

RETURN TO PLAY 2021 MASK POLICY

Effective immediately Langley United is implementing a mask policy for team staff and players as outlined below:

1. It will be **MANDATORY** for all team staff coaches and managers to wear masks at all training sessions and games. The mask policy will be in effect even if physical distancing can be maintained.
2. It is **MANDATORY** that players walking from the vehicles to the field of play wear masks.
3. It is **MANDATORY** that players on the sideline (substitutes during games) must wear masks, until such time as they are asked to enter the field of play.
4. A reminder of the 50 maximum rule as set in place by the ministry of health per field location, this number of 50 includes all players, coaching staff, managers and officials. Based on these numbers we again ask that you do not remain at the side of the field but rather return to your vehicle if you are not leaving the field.
5. If for any reason whatsoever a parent needs to attend to their child on or near the field, it is **MANDATORY** for the parent to wear a mask.

Reminders:

- No group gatherings whatsoever around training or games

It is Langley United's quest to keep people safe and playing soccer as much as possible your cooperation and support in our requests will be very much appreciated.

We also understand that people may have different views, tolerance, or anxiety around the pandemic and the club's direction. We have seen some amazing cooperation and respect in our club, with Township of Langley and our community as a whole. We are hopeful that everyone can continue this great behavior.
