

# Ball Retriever Activity

**Check In: BC Place Gate A – 1.5 hours before kickoff  
(late arrivals will not be able to participate)**

## Congratulations

Your child has been selected to participate in the Ball Retriever activity.

The Ball Retriever role is one which requires active and attentive participation throughout the match, enabling play to proceed in a smooth and professional manner. At the time of registration, the Ball Retrievers will be met by the Ball Manager for pre-match briefing and training.

During the match, all Ball Retrievers will be responsible for retrieving and replacing match balls by placing them on our ball stands arranged around the pitch. Participants must work together to ensure only one ball is returned to play effectively.

## IMPORTANT INFORMATION

- All Ball Retrievers must be aged 13+ years old;
- All Ball Retrievers must have sound soccer knowledge, as they are required to follow the match at all times;
- All Ball Retrievers must wear running shoes and black pants or shorts.
- Participants will not be provided with any food so please eat beforehand. An opportunity to visit concessions will not be available.
- No parents are allowed to accompany the group on the activity
